HOW TO READ THE RULER

 square — major tonic

 diamond — relative minor tonic

 circle — pentatonic note

 triangle — degrees 4 and 7

 KEY window — the key you are in

 lower windows — fret + octave twin

the fret: on top (blue) frets 1 to 12, below (orange) frets 13 to 24.
It is the same shape in both — one octave apart.

Top table: each box is a shape. TOP number = major key, BOTTOM = relative minor.

The vertical lines fall on the frets two neighboring shapes share.

On the 6th string the two squares sit 12 frets apart: one to the other is an octave.

Every note has its own color — the same one as on the harmonic field wheel.

Lowest string = bottom line. Glue the paper into the track recess.

SHAPE LABEL — glue into the slider recess
